**SOIL AND SITE EVALUATION:**

This application will not be processed unless a copy of a valid site evaluation performed in the area where each septic system is to be installed is included with the application. In addition, a site plan giving the following information must be provided for a complete application. The site plan does not have to be drawn to scale (except where applicable in 30 TAC 285), but must show accurately measured distances. Please include address and legal description on the site plan.

1. Size of the lot and the dimensions and locations of all existing or proposed buildings.  
2. Location of septic tanks and drainfield (a 5,000 Sq. Ft. area should be reserved for this purpose).

3. Distance to the nearest water well.

4. Distance to any pond, creeks, rivers or drainage ditches.

5. Location of potable water lines, areas with slopes greater than 15%, and easements.

6. Location of any part of the lot which is in the flood plain as identified on the Denton County Flood Insurance Rate Maps.

**Additional Notes to Designated Representative (if blank mark N/A) :**

Authorization is hereby given to the Town of DISH (A.K.A: Town of Clark, Texas), the Texas Commission on Environmental Quality, and the Texas State Department of Health, or their agents or designees, singly or jointly, to enter upon the above described property for the purpose of inspecting private sewerage facilities, or for any reason consistent with the enforcement of regulations set forth by the Texas Commission on Environmental Quality, the Texas Department of Health, Denton County, or the Town of DISH.
